Jax meets Liv, the new girl at school who shares his love of music, but that's not all they have in common ...

When Jax and Liv start rehearsing together, they go from duet partners to fast friends. Soon, they learn that they share something more than a love of music — something that will change their whole world and make them rethink what it means to be “family.”

The Club * \$15.00 per copy (tax included) * Ages 9+

Becky James lives in a small town where nothing ever changes. But there's something very different about the new student, Gene Newman.

Brilliant, talented, and socially awkward, Gene is like nobody else Becky has ever known. Little does she know just how different he actually is.

Gene confides in Becky that he has a secret. More than that, he *is* a secret. And, apparently, it's a secret worth killing for.

Made 4 You \$16.00 per copy (tax included) * Ages 12+
